

Long Term Care Risk

3 Easy Steps to Securing your Future

It's easy as 1, 2, 3

1

What are your priorities?

- I would like to put my money where it will grow.
- I want my money back if my circumstances change.
- I want to choose my caregivers.
- I am concerned about providing an inheritance.
- I want a joint option for my spouse or qualifying partner.
- I want a plan that will provide benefit for life.
- I want a plan with premiums that will not fluctuate.

2

How is your health?

Health questions may determine which life insurance products and/or annuities you will qualify for at this time. Please review the knockout questions on the back of this form to determine which course of action will be best for you and your family.

3

What assets do you want to use?
