

Term Lifextender™ Solution

Term Lifextender™ offers insureds age 60 and older the ability to keep their valuable life insurance at an affordable price. The program allows existing term policyholders who have had a decline in health since they bought their term policy, the option to extend their coverage for anywhere from 5 to 10 years with the option to be able to continue their coverage for life.

Conversion Option expiring, insured wants to continue coverage.

69-year-old male has a **\$750,000 AXA** 10-year term policy issued preferred nearing end of level term and conversion option periods. Has multiple health issues, including heart disease (four stents) and kidney disease. Wants a more affordable solution than a **\$22,613** level premium conversion.

TLE provides an affordable solution.

TLE Option 1 (with right to keep policy at end of extension):

10-year extension fee - **\$10,927 – 52% discount** to level premium

5-year extension fee - **\$6,035 – 73% discount**

TLE Option 2 (with no right to keep policy at end of extension)

10-year extension fee - **\$9,834 – 57% discount**

5-year extension fee - **\$5,431 – 76% discount**

Agent's commission: 10-year extension \$18,151

5-year extension \$17,944
