## The Cincinnati Life Insurance Company

### Fixed Deferred Annuity Interest Rate Procedures

#### Cash with Application

Rate Lock Period – you may lock interest rates for seven calendar days after the date the application is signed.

For application and funds we receive **in good order** (meaning all required forms are signed, dated and properly completed by an appointed agent) within **seven calendar days** of the date the application is signed, the interest rate assigned is the greater of:

- 1) the interest rate effective on the date of the application, or
- 2) the interest rate effective on the date we receive the application and funds.

For funds we receive after the expiration of the Rate Lock Period, the interest rate assigned is the interest rate effective on the date we receive the funds.

#### 1035 Exchanges and Qualified Transfers/Rollovers

Rate Lock Period – you may lock interest rates for **90 calendar days** after the date the application is signed if we receive the signed application and required paperwork in good order at Cincinnati Life Headquarters within **seven calendar days** of the date on the application.

For application and paperwork we receive **in good order** within **seven calendar days** of the date the application is signed, and we receive the funds within **90 calendar days**, the interest rate assigned is the greater of:

- 1) the interest rate effective on the date of the application, or
- 2) the interest rate effective on the date we receive the funds.

For funds we receive after the expiration of the Rate Lock Period, the interest rate assigned is the interest rate effective on the date we receive the funds.

#### Premiums Received After Initial Payment

For premiums received on a flexible premium deferred annuity after the initial payment, we base the interest rate on the rate in effect on the date we receive the premium at Cincinnati Life Headquarters.
